- ☐ Receiving station is to be operated for public use. (Permits can be issued for any company name.)
- ☐ Network of receiving stations operated for public use. (Permit Service)

Facsimile Machine Telephone Number _____

AUTOMATIC FACSIMILE MACHINES WITH A DEDICATED TELEPHONE LINE ARE REQUIRED!

- ☐ In addition to operating as **one** of the above, I/We request a USERID to apply for permits online using a 3270 client software.

The account holder agrees to assume full responsibilities for knowledge and compliance of all Rules and Regulations and State Statutes which may apply.

Missouri Permits are transmitted to the location of your choice and **ARE NOT TO BE RETRANSMITTED FROM A RECEIVING STATION.**

Receiving stations may be required to copy a message and return the copy by mail to the Missouri Department of Transportation in Jefferson City, Missouri, to confirm legibility of Permit. The owner will be responsible to notify the Motor Carrier Services office in Jefferson City when a facsimile machine is inoperable and when it again becomes operable. Receiving stations with inoperable facsimile machines will be removed from the approved directory until advised of their repaired status.

Proper arrangement for payment of permit fees is to be arranged by the owner, such as by an Escrow Account, and maintaining a payment balance from the Escrow is the responsibility of the owner.

If a network, it is agreed that prior to transmitting, a directory of receiving stations which are a part of the network shall be furnished to the Motor Carrier Services office of the Department of Transportation, Jefferson City, Missouri. Written changes, additions and deletions must be furnished to this office prior to transmission.

I/WE, the undersigned have fully read and agree to the Conditions and Procedures as outlined above and further understand that failure to operate in accordance with these conditions may result in cancellation of receiving permits by facsimile transmission.
